

IT Schedule Summer Semester 2022-2023

	<u>Session1</u> <u>09:00-11:00</u>	<u>Session2</u> <u>11:00-01:00</u>	<u>Session3</u> <u>01:00-03:00</u>	<u>Session4</u> <u>03:00-05:00</u>
Saturday	Artificial Intelligence	Information Computer Networks Security	Advanced Software Engineering	Microprocessors and Interfacing
	Automata Models	Numerical Methods	Software Engineering 1	Computer Organization 1
Sunday	Discrete Mathematics	Electronics	Probability and Statistics-1	Programming Languages
		Physics 2	Mathematics 3	Web Technology
		Logic Design		
Monday	Information Assurance and security	Multimedia and Virtual Reality	Web Engineering 3	Modeling and Simulation
Tuesday	Networking Fundamentals Lab	Probability and Statistics-2	Digital Signal Processing	Data Structures
	Neural Networks	Mobile and Sensor Networks	Integrated information Systems	Three Dimensional Graphics
Wednesday	Computer Graphics	Computer Networks 2	Intelligent Databases	Microcontrollers
	Algorithms and Data Structures	Operating Systems		
Thursday	Programming Techniques 2	Mathematics-0	Mathematics 1	Introduction to Computers
	Software Engineering 2	Web Engineering 1	Mathematics 2	Language Engineering
			Computer Organization 2
